Worship Committee Report

The worship committee met on Wednesday February 10th to review the video system with Nicholas for training purposes and to meet with Dr. John Mattern to discuss the possibilities of allowing in person worship to begin again.

The committee consisted of Rob Collins- Chair, John Vanderhoven, Shawen Bartol, Charles Tucker- Interim Pastor/Head of Staff, Carrie Gerstner – Head of Faith Formation, and Geoffrey Bell- Director of Music.

The committee unanimously recommends to the Session that we return to in person worship on Sunday, March 7, 2021. The committee also recommends that recorded services for those who elect to stay home will continue and the protection methods that we were following previously will also continue.

As we continue to monitor this virus, we recommend that we prepare to change this policy as more information is made available.

Respectfully submitted.

Rob Collins
