

## Faith Formation Committee Report

October 22, 2021

### Media Center:

Preschool classes are coming to the library for books and for reading time. Library cards have been created for kindergarteners and first graders.

The library table has returned to the Narthex for Sunday morning book selection.

### Children and Youth Programs:

We are looking for new nursery workers. Ann Goslee will substitute until we can find new workers. Cary is recommending that we pay \$15 an hour and that we hire two to work each Sunday.

We will return to having a children's message in worship when we have more children in worship.

Disposable Christian education materials are being used by children during worship.

In-person Sunday morning programs for children will be deferred until January.

Junior Disciples are meeting weekly. Bible Science is the curriculum this year. Debbie Stevens and Grace Goode will assist Carey.

Middle School Youth is meeting on the first and third Sunday nights each month.

### Adult Programs:

Adult Seminar study of Peter has ended. A five-week study, probably centered on social-justice issues, will be next, and then an Advent study. We are considering Jill Duffield's *Advent in Plain Sight*.

The Hidenwood Explorers will visit the Williamsburg Meadery October 24.

Two book groups are meeting monthly.

Pickle Ball gear arrived and is being used on Thursday evenings. We hope to develop regular use of our Pickle Ball gear in leagues. Arthur Henderson helped the Thursday group to learn the rules of the game.

### Preschool:

Preschool is having chapel twice a month. Kindergarten and first grade have chapel separate from the younger children for social distancing.

Next Meeting: Monday, November 8, 1:00. Business: VBS '22 and Middle-School Massanetta trip
